UPDATE CODE

Pro Tip:

Use CJ's SID tracking to monitor your campaigns effectively. SID is a customizable alphanumeric code you can append to your affiliate link to track different advertising channels or methods. For example:

- Use one SID for specific blog posts.
- Use another SID for PPC campaigns.

Your CJ transaction summary will show which methods are converting, helping you optimize your strategy.

Sharing Affiliate Links on Social Media

Wondering how to share your affiliate links across platforms? Please go this page: <https://junction.cj.com/article/how-to-share-affiliate-links-on-social-media>, you get detailed info on how and where to share affiliate links on Facebook, Instagram, Pinterest, Snapchat, Threads, TikTok, Twitter, YouTube, as well as live streaming platforms Discord and Twitch.

That's all! Happy Selling! If you have any questions or need assistance, feel free to reach out to us at affiliate@hitpaw.com.
